

Dear Guests,

Due to the closures and regulations caused by the COVID-19 pandemic, we sincerely regret to inform you that we will be closing our doors at Dine Under The Stars.

We tried our best to survive in this economic climate, but anticipate that quarantine regulations will be in place well into the autumn months, rendering it impossible for us to recoup this Spring's losses and stay in operation.

Since the original quarantine order was mandated only a week prior to our scheduled events, all of our vendors have been paid and are now unable to return the funds as they are going through economic struggles of their own.

We are currently working with a law firm that will be filing a Chapter 7 Bankruptcy on our behalf and liquidating our assets. All further communication from our team will be made through an appointed bankruptcy trustee.

We know we have caused many of our guests irritation as our reduced staff has been unable to respond to inquiries while trying to figure out a way forward.

We apologize for our failure to communicate with those of you who have reached out to us, and want to assure you that an appointed trustee will be corresponding with you soon regarding your refunds.

Sincerely,

Dine Under The Stars Team
